Dermaplaning Consent

I authorize _____ to perform a Dermaplaning Facial, also known as skin (blading or leveling) is a safe and highly effective, clinically proven technique for precise, manual exfoliation of the skin. It regenerates epidermal cell structure resulting in improved skin elasticity and a more youthful, pliable, smooth skin texture. Dermaplaning removes the outermost layers of dead skin cells and the vellus hairs leaving the skin immediately smooth, supple and vibrant.
